GMT angst origins of anxiety and pdf -

Contentment is a mental or emotional state of satisfaction maybe drawn from being at ease in one's situation, body and mind. Colloquially speaking, contentment could be a state of having accepted one's situation and is a milder and more tentative form of happiness.

Contentment - Wikipedia -

The use of terms and images referring to Native Americans/First Nations as the name or mascot for a sports team is a topic of public controversy in the United States and Canada.
